## Flash Face SS20 + Forged C300 Maraging Steel For Optimized Performance

Our new A.I.-optimized Flash Face SS20 is forged from exotic materials, which are uniquely designed for each model and loft to maximize ball speed and performance.

## Jailbreak + Face Cup + T2C Carbon Crown For Fast Ball Speed and Forgiveness

We've combined our industry-leading technologies to deliver distance, forgiveness and performance from every club.

## Progressive Leading Edge For Enhanced Performance

A unique leading edge geometry in every model for easy launch.

## Optimized Weighting to Maximize Distance and Accuracy

MAVRIK features a single fixed weight in the sole to pull the CG low and back in the head for high launch and flat trajectory.
